S&M Moving Systems Receives Commitment to Excellence Platinum Award at Cartus 2009 Global Network Conference

(Phoenix, AZ, October 8, 2009) – S&M Moving Systems was recently honored for outstanding performance by Cartus at its 2009 Global Network Conference held October 5-6 in Chicago. Each year, Cartus recognizes the companies and individuals that have worked to provide extraordinary service to its international customers and clients.

S&M Moving Systems was awarded the Global Network *Commitment to Excellence* Platinum award for its exceptional service results. This award is presented to the Global Network service provider who demonstrates excellent knowledge, principles, trust and service as selected by Supply Chain Management.

S&M Moving Systems maximizes client satisfaction by incorporating a **Prime Account Model** which integrates clients global transportation requirements for multiple commodity lines while providing customized web based solutions that offer real time tracking. Innovative programs like S&M Moving Systems **ShockWatch™** have also reduced claims by over 65% and proven so successful companies like Cartus incorporate this program into their service model. Additionally, S&M Moving Systems was also recently recognized by United Van Lines as its largest international agency.

“Taking into account the program’s tough selection criteria and performance standards, being a part of Cartus’ Global Network is an honor in and of itself,” said **Steve Todare, President, S&M Moving Systems**. “We embody the company’s dedication to providing high-quality service and are grateful to have received this prestigious designation as it only further enhances our commitment to world-class service.”
