S&M Moving Systems Unwraps New Website

(Phoenix, AZ, December 10, 2008) – S&M Moving Systems will unwrap its new website on December 14th.

The new version of www.smmoving.com features a complete package of services for product lines ranging from domestic and global household goods moving, office relocations, warehouse & distribution and special products. Guests to the site can quickly request estimates, track their shipments, study helpful moving tips, check out a helpful links section and even complete an easy tax worksheet which can be e-mailed or saved until tax time. The updated site also features exciting new programs like United Van Lines Straight Talk Advantage™ and the premier SAM Store and Move portable moving containers service.

The launch of the new website will provide the highest level of online assurance for clients utilizing Extended Validation SSL Certificates using 256-bit encryption technology to the ensure safety of clients sensitive data.

“Providing more options and information about moving in today’s rapidly changing world allows us to be a superior partner in providing outstanding solutions with our customers,” said **Steve Todare**, President of S&M Moving Systems. “Now more than ever our customers are looking for answers. They want us to find new ways to solve old problems. That’s what we’ve done here. We’re always listening to what our customers say and we are excited about providing this new resource to our global community.”
